I, Abraham Mykoff, Plaintiff and appearing *Pro Se*, do hereby certify and say:

1. I, Abraham Mykoff, Plaintiff and appearing *Pro Se*, having the Complaint typed experienced acute and chronic hacking. A total of six computers crashed with hard drives replaced all to no avail from September 2017 through 20th October 2017. All USB thumb drives were corrupted. The hackers were able to bypass Kaspersky End Point Security, and I do not have the level of knowledge or anyone else that I know to have resolved this issue til 30th October 2017.

I declare under penalty of perjury under the laws of the United States that the forgoing is true and correct.
